- Worksite wellness services

NO ONE IS REFUSED SERVICES BECAUSE OF INABILITY TO PAY.

Charges are based on a sliding fee scale determined by your household income & family size. Private insurance & Medicaid billing are also welcome.

Volunteer opportunities & payment plans are available to help satisfy balances.

MONTANA
CANCER CONTROL
PROGRAMS

CANCER SCREENING SERVICES FOR ELIGIBLE WOMEN INCLUDE:

PAP TESTS

- Age 21-64
- Age 65+ (for high risk patients without Medicare part B)

MAMMOGRAMS

- Age 40-74
- Age 39 & under (only with state MCCP prior-authorization)

For qualifying women *without* insurance, MCCP covers screening, & approved diagnostic exams.

For qualifying women *with* insurance, MCCP may assist with co-pays & deductibles for approved diagnostic exams.
